

Richard Shutran

Partner
Co-Chair, Energy and Infrastructure Industry Group

New York
+1 212-294-5354

Rich counsels development companies, investment funds, and strategic investors in connection with mergers and acquisitions, leveraged finance and project finance matters, and restructurings and reorganizations, with an emphasis on energy, transportation, and other infrastructure businesses. Rich also has extensive experience in transactions involving Latin America.

Rich has been recognized by *Best Lawyers in America* as a leader in Project Finance, is regularly recognized as a leading lawyer by *Chambers USA* and *Chambers Global*, and was most recently recognized by *Legal 500 US 2020* and *2021* for his work in Energy: Renewable/Alternative, Energy Transactions: Conventional Power, and Finance: Project Finance.

Key Matters

Some of the experience represented below may have been handled at a previous firm.

Renewable Energy

- Represented Hecate Energy in connection with the development, acquisition, sale and financing of numerous development stage solar generation projects and in connection with its corporate credit facility.
- Represented Hecate Energy in connection with the sale of a 40% interest to Repsol Renewables and related transactions.
- Represented Hecate Energy in connection with the structuring and formation of Hecate Grid, a joint venture with InfraRed Capital Partners for the development, ownership and operation of battery energy storage projects.
- Represented Hecate Grid Redwood in connection with the development and financing of a portfolio of battery energy storage projects in California.
- Represented Macquarie Infrastructure Corporation in connection with the formation of a solar power development joint venture with Intersect Power, and the subsequent sale of Macquarie's joint venture interest to SoftBank.
- Represented Macquarie Infrastructure Corporation in connection with the sale of its entire portfolio of solar generation projects to Goldman Sachs, and the sale of its entire wind generation portfolio to DIF.

Conventional Power and Transmission

- Represented WattBridge Energy, a developer and owner of fast start, gas-fired power generation facilities in connection with the development and project financing of eight such facilities in the ERCOT region of Texas, and in connection with two mezzanine financings.
- Represented SteelRiver Infrastructure Fund in connection with the initial development and financing of TransBay Cable, and the subsequent sale of TransBay Cable to NextEra Transmission.
- Represented Homer City Generation in connection with financing arrangements for its coal-fired generation business.
- Represented Axiom Infrastructure US in connection with acquisition of Wind Energy Transmission Texas (WETT).
- Represented InfraRed Capital Partners in connection with its proposed acquisition of an interest in Texas Nevada Transmission.

Transportation

- Represented Steel River Infrastructure Fund in connection with its acquisition of Patriot Rail Company and the subsequent sale of Patriot Rail Company and its related ports business.
- Represented Atlantic Aviation in connection with numerous acquisitions and dispositions of fixed based operator (FBO) businesses.
- Represented Atlantic Aviation in connection with term loan B and term loan A financings of its portfolio of FBO facilities.
- Represented Patriot Rail Company in connection with numerous acquisitions of short haul rail businesses.

Other Energy and Cleantech

- Represented SteelRiver Infrastructure in the acquisition of four regulated separate gas distribution companies that were consolidated as PNG Companies, and in connection with the sale of PNG Companies to Essential Utilities.
- Represented a steel manufacturing and recycling company in connection with a proposed joint venture for the development of electric vehicle battery recycling plants in the United States and Canada.
- Represented LanzaJet in connection with the development and financing of a first of its kind project to manufacture zero carbon sustainable aviation fuel and renewable diesel.

Restructuring Transactions

- Represented Entegra Power Group in connection with the two Chapter 11 restructuring transactions and related financings.
- Represented the ad hoc group of creditors of Homer City Generation in connection with their acquisition of Homer City through a Chapter 11 plan of reorganization.
- Represented the ad hoc group of creditors of Coso Geothermal in connection with their acquisition of Coso Geothermal through an out-of-court restructuring.

Recent Experience

Axiom Infrastructures's Acquisition of a 375-mile Electric Power Transmission System in Texas
