

United American Healthcare Corp. Sale of Pulse Systems LLC to Heraeus Holding GmbH

OCTOBER 30, 2020

Winston & Strawn LLP represented United American Healthcare Corp. (OTCPK:UAHC), a Chicago-based provider of contract manufacturing services to the medical device industry, in the sale of Pulse Systems to Heraeus Medical Components, a leading global medical device outsourcing provider. Founded in 1998 and located in Concord, California, Pulse Systems provides contract development and manufacturing to medical device OEMs to support complex implants and delivery systems.
