

Playing the Dual Track

MAY 22, 2024, 12:00 PM - 1:00 PM CT

Please join Winston & Strawn for an insightful webinar where we will dive deep into the “dual-track process” and a strategic approach for companies planning an exit event.

WHAT TO EXPECT

- **Understanding the Dual-Track Process:**
Learn how this strategy involves preparing for both an initial public offering (IPO) and pursuing an M&A exit simultaneously.
- **Pros and Cons of Each Exit Path:**
Discover the advantages and disadvantages of both IPO and M&A exits, including the impact on investors, founders, and management.
- **Current Market Trends:**
Gain insights into the latest trends in private equity and venture capital, including the potential uptick in dual-track processes and the future of private equity exits.
