Training at Winston & Strawn

For more than 160 years, Winston & Strawn LLP has served as a trusted advisor and advocate for clients across virtually every industry. In that time, through careful growth and thoughtful fiscal management, we have built a law practice with tremendous breadth and global reach.

We are proud of the many accolades we have received over the years – a tribute to our lawyers’ creativity, flexibility, depth of experience, and commitment. The most meaningful accolade to us, though, is the continued trust and confidence of our clients.

With 15 offices in key financial centres across the world, we bring an understanding of the global legal issues our clients face to both transactional and dispute-related matters.

WHY CHOOSE WINSTON?

What differentiates Winston from other firms? Winston prides itself on providing a personable, down-to-earth working environment. Our goal is to maximise individual potential, reinforce the firm’s culture and expand our trainees’ professional development, in London and through our international networks.

WHAT WE OFFER

Winston offers trainees challenging and interesting work for high-profile, international clients in a dynamic and supportive environment. Whilst being part of a global law firm with a reputation for delivering results, we believe that our relatively small, but rapidly growing, London office offers something genuinely different. Our trainees are asked to carry out “real legal work” from the outset, interact directly with clients, and contribute to all aspects of firm life. Our London trainees are integral to the London office, the

successful completion of complex transactions, and the resolution of disputes for our clients.

WHAT WE ARE LOOKING FOR

Given the wide scope of our work in London, we employ bright and agile people who will thrive in our dynamic environment. We look for the following criteria when evaluating candidates:

- Common sense and integrity;
- Enthusiasm and drive;
- Interests outside of law;
- Strong academics (2:1 or a 1st in your first degree, expected or obtained);
- Commercial awareness;
- Interpersonal skills with the mindset of a team player;
- Willingness to take responsibility; and
- Flexibility.

A genuine connection and true expression of your personality from your first interactions with us is among the most important factors we consider when evaluating, hiring, and retaining talent.

‘I have never experienced a Firm before that is so interested in your personal development and willing to share their own personal experiences’

THE LEGAL 500 UK 2025

WINSTON & STRAWN IN LONDON

Based in the heart of the City, Winston & Strawn London LLP is comprised of a close-knit group of lawyers and staff who work as a team to serve high-profile US, UK and multinational clients. Our practitioners, including solicitors who are recognised as leaders in their field, are a diverse group of international legal professionals.

The London office serves a broad range of clients and maintains a reputation for excellence in areas including corporate, finance (including general finance), restructuring and insolvency, tax, EU antitrust/competition, commercial litigation, and international arbitration. We represent UK clients as well as US and other international clients who use London or English law as a springboard for conducting business around the world, with significant recent growth in our work involving emerging markets such as Eastern Europe, Africa, and the Middle East.

Our calibre of work is widely recognised. The London corporate team won “M&A Team of the Year (Medium- Sized Deal)” at Legal Week’s British Legal Awards 2016 and was shortlisted for “Corporate Team of the Year” at The Lawyer awards 2016 for its involvement in the £817.5 million acquisition of Airwave Solutions by our client, Motorola Solutions (Airwave is the largest private operator of a public safety network in the world, and the entire UK fire, ambulance, and emergency services network).

The work of the office is diverse and high profile. For example in 2023, the London corporate team represented **a significant investor** in connection

with the multi-billion-dollar acquisition of Fordstam Limited (the owner of Chelsea Football Club). In the same year we acted a cross-border deal for Chart Industries in connection with its multi-billion-dollar acquisition of UK-based fan manufacturer Howden from KPS Capital Partners.

We have been involved in some of the most innovative litigation before the English Courts across the commercial spectrum. Example cases have ranged from seeking injunctions to prevent the disclosure of confidential information, protecting our client’s rights under complex international agreements, and advising on enforcement.

Our arbitration team has represented clients in proceedings in many of the world’s leading institutions, as well as in ad hoc proceedings. Many of our recent representative matters have involved complex shareholder disputes arising from investigations into wrongdoing, non-compliance, and breaches of directors’ duties. We also represent a number of clients in investor-state arbitrations.

“The London office has a very close and collegiate working environment, which means trainees become an integral part of the team from day one.”
