

Scott Naidech Discusses Changes to the Private Equity Industry with *The Wall Street Journal*

SEPTEMBER 13, 2019

Over the past few years, the private equity industry has had to contend with a host of political and regulatory changes that touch nearly every aspect of how firms do business, from raising funds and investing in deals to operating their own firms. *Private Equity Analyst* asked Winston Corporate Partner Scott Naidech how he sees changes in the regulatory and political environment affecting the industry.

Read the full *Wall Street Journal* article to hear Scott's views on the regulatory issues that are having the biggest impact on fund formation and the largest mistake first-time fund managers make when it comes to fund formation.

Visit Winston's [Corporate & Finance page](#) to learn more about how our lawyers partner with clients around the globe to navigate challenges, adapt to regulatory change, and move transactions to the finish line.
