

## Winston & Strawn Supports Justice Without Borders

NOVEMBER 20, 2020

Winston & Strawn is proudly sponsoring “Happy Hour on a Mission” organized by Justice Without Borders (JWB), a non-profit organization dedicated to providing transnational access to legal assistance for victims of labor exploitation and human trafficking. Being held virtually on November 20, the event will raise funds to support cross-border legal support for the rapidly increasing number of domestic workers facing exploitation and abuse during the COVID-19 pandemic.

The event program includes:

- ‘So You Think You’re a Lawyer’ Trivia Challenge (no law degree needed!)
- Video updates on the women JWB’s helped this year
- Online silent auction with exciting items up for bid
