

Michael Stepek Discusses the Latest Trends in Litigation and ADR with *Financier Worldwide*

JULY 30, 2021

Winston & Strawn London Partner Michael Stepek recently sat down for a Q&A with *Financier Worldwide* as part of their INDEPTH feature on Litigation and Alternative Dispute Resolution (ADR).

Michael discusses recent leading market trends in these areas, as well as the effect of the pandemic, and the importance of involving disputes professionals at the outset of commercial agreements, to mitigate future risk.

Catch up with the discussion [here](#).
