

Jonathan Brightbill Speaks at Chamber of Digital Commerce Event

SEPTEMBER 20, 2022

On September 20, Winston & Strawn Partner and Environmental Litigation and Enforcement Practice Chair Jonathan Brightbill spoke during a Chamber of Digital Commerce Twitter Spaces event about the recent *West Virginia v. EPA* ruling and how the Supreme Court's major questions doctrine may impact judicial review of new digital assets regulations.

Jonathan and co-panelists Congressman Trey Hollingsworth and Chase Perkins, Founder and CEO of Impervious.ai, also discussed how the Supreme Court decision may impact congressional legislation to regulate the industry.
