

Alternative Paths to Going Public

NOVEMBER 3, 2022

On November 3, Winston & Strawn presented a webinar titled, "Alternative Paths to Going Public." The webinar discussed different routes that companies can take to go public outside of traditional IPOs and SPACs, given the current market volatility. Specifically, the speakers provided practical tips and insights on how to go public through the following:

- Direct Listing on Nasdaq or NYSE
- Reg. A+ IPO
- Rule 144A equity offering
