

Brad Mandel Quoted in *2024 Secondaries Investor Law Firm Survey*

JUNE 21, 2024

Winston & Strawn was highlighted in the *2024 Secondaries Investor Law Firm Survey* by Private Equity International. Funds partner Brad Mandel provided insights on the recent growth in the secondaries market, which recorded its second-largest annual period last year. The survey also observed an increase in deal volume across sectors beyond private equity, signaling a positive outlook for the current year.

Brad highlighted the positive developments in the secondaries market, noting, “It is encouraging to see the secondaries market continue to expand and evolve and to show resiliency through every economic cycle.” He elaborated, “Even with all the capital flowing into the space, there are still many new entrants and investors who are just now being educated on the opportunity.”

Secondaries Investor provides insights and intelligence on the global secondaries markets across alternative asset classes such as private equity, private real estate, infrastructure, and private debt. It targets institutional investors, fund managers, and advisors seeking relevant information.
