

## Bobby Malhotra Named Among the Top AI Lawyers of 2024 by the *Daily Journal*

JULY 25, 2024

The *Daily Journal* named Winston & Strawn partner Bobby Malhotra to its 2024 list of California's Top AI Lawyers. Honorees were chosen due to their exceptional work on recent, significant cases that impacted artificial intelligence law.

In a Q&A with the publication, Bobby discussed the rapidly evolving landscape of AI, his interest in the entire lifecycle of AI integration, and the intensification of regulatory issues surrounding AI, including Generative AI systems advancements globally.

During his interview, Bobby noted that, "Major economies like the EU, the U.S., China, and other countries are spearheading efforts to establish comprehensive AI regulations, each with distinct approaches and priorities." He went on to say, "Regulations and industry best practices are still being formulated, leaving a void of clear legal precedent for specific situations. This uncertainty creates a minefield for clients. Increased potential exposure and the complexities of compliance become major concerns...Succeeding in this environment requires creative legal thinking and a willingness to venture beyond traditional approaches. It demands a commitment to staying current with the latest developments in AI law and technology."
