

Winston Represents SandRidge Energy, Inc. in its \$US144M Acquisition and Entry into a Joint Development Agreement

JULY 29, 2024

Winston represented SandRidge Energy, Inc. (SandRidge) in its US\$144M definitive agreement to acquire certain oil and gas producing assets and leasehold interests in the Cherokee play of the Western Anadarko Basin. Additionally, SandRidge entered into a joint development agreement that governs its participation in future development of the acquired leasehold interests. The transaction expands Sandridge's footprint in the Mid-Continent region and bolsters its production capabilities.

The deal was signed on July 29, 2024.
