

GenNx360 Capital Partners in the Sale of Miller Environmental Group

SEPTEMBER 10, 2024

Winston represented GenNx360 Capital Partners (GenNx360), a New York-based private equity firm investing in middle-market business services and industrial companies, in the sale of New York-based Miller Environmental Group (Miller), a leading provider of essential waste, industrial, and environmental services across the United States, to Coalesce Capital. Miller currently operates 30 locations throughout the United States, and is vertically integrated across the waste, industrial, and environmental services value chain, with 22 field service branches and a portfolio of 10-day transfer, treatment, storage, and disposal facilities (TSDFs) for waste processing.
