

Keerthika Subramanian Discusses Investment Banking Basics: Fundamentals of Capital Structures

OCTOBER 16, 2024 - OCTOBER 17, 2024

Winston & Strawn partner Keerthika Subramanian will lead the course “Investment Banking Basics: Fundamentals of Capital Structures” during PLI’s Pocket MBA 2024: Finance for Lawyers and Other Professionals. Her session will explore key financing alternatives, including debt, equity, and hybrid offerings. Participants will gain the ability to assess current marketplace developments and determine the optimal capital structure for various scenarios.

Keerthika will share her insights on funding sources in both private and public markets, along with trends in capital markets and M&A activity, providing valuable guidance for in-house counsel, attorneys, and professionals involved in financial transactions.
