

GenNx360 Capital Partners in its Acquisition of Shenandoah Industrial Solutions

SEPTEMBER 5, 2024

Winston represented GenNx360 Capital Partners, a New York City-based private equity firm investing in middle market business-to-business industrial and business services companies, in connection with the acquisition of Shenandoah Industrial Solutions, a Florida-based company. Shenandoah is a provider of underground infrastructure services, including sanitary and stormwater pipe cleaning, inspection, and pipe rehabilitation services.
