

# Winston's Digital Assets & Blockchain Technology Group Contributes to *Legal Matters in Web 3: A Desk Reference*

SEPTEMBER 23, 2024

Winston & Strawn's Digital Assets & Blockchain Technology Group contributed to The University of Chicago Law School's *Legal Matters in Web 3: A Desk Reference*, a comprehensive legal desk reference tailored for attorneys navigating the complex landscape of Web 3. The reference covers topics on projects and legal subject matters perspectives.

The "Custodial Services" chapter was co-authored by Daniel Stabile, Co-Chair of the Digital Assets & Blockchain Technology Group, and edited by co-chairs Carl Fornaris and Kimberly Prior. Additionally, attorneys Basil Godellas, Collin McVicker, and Gabriela Plasencia contributed to the chapter.
