

Winston & Strawn Attorneys Named as 2024 IP Stars

MAY 31, 2024

Seven Winston & Strawn attorneys were recognized by Managing Intellectual Property in 2024 as IP Stars.

Each year, Managing IP's research analysts obtain information from thousands of firms, IP practitioners, and their clients through interviews, emails, and online surveys to select senior practitioners to rank as IP Stars.

Seven Winston attorneys were recognized as IP Stars including Michael Elkin, David Enzinger, Brian Ferguson, Jennifer Golinveaux, Chuck Klein, George Lombardi, and Thomas Melsheimer. IP Stars are recognized as experienced senior IP practitioners in private practice who have been recommended by peers, clients, or someone that is integral to the success of their firm.

Winston was also selected for national rankings recognizing its Copyright, Patent, and Life Sciences IP practices, and earned region rankings in California, the District of Columbia, Illinois, Texas, and New York.

Firms are evaluated based on:

- The experts in the firm, track record, sectors covered, and depth of resources;
- The size of workload and its level of sophistication;
- Changes within the firm, especially staff hires or departures, client wins or losses; and
- Competitor and client feedback received.
