

Winston Hosts Construction Rules CLE Program With the American Arbitration Association

OCTOBER 25, 2024, 11:30 AM - 1:00 PM

Winston & Strawn will host a presentation on the American Arbitration Association (AAA)'s newly revised Construction Rules that advance the AAA's commitment to efficient arbitration and mediation in the Construction Industry.

Kate Raum, director of ADR services for the AAA's construction division, will highlight the most impactful changes to the Rules while Jerry Hoover, AAA and ICDR panelist, and Winston attorneys Laurens J. Wilkes and Caitlin Gernert will offer insights into the practical effects of the rules changes.

One hour of CLE credit will be provided.
