

Winston Sponsors, Jeanifer Parsigian Speaks at GCR Live's Annual Women in Antitrust Conference

NOVEMBER 12, 2024

Winston partner Jeanifer Parsigian will speak at GCR Live's annual Women in Antitrust conference in Washington, D.C. on November 12, 2024. Jeanifer's panel "Cartels: Can Software Programs Be a Hub for Collusion?" will dive into whether pricing algorithms and software programs can enable illegal price coordination among competitors, potentially violating competition laws.

Jeanifer is a member of the steering committee for this year's GCR Live: Women in Antitrust event which brings together leading private practice lawyers, academics, economists, and government representatives for a full-day conference championing female experts in antitrust. Winston is a sponsor of the event.
