

Chloé Torrente

Associate

Paris

+33 1 53 64 83 07

Chloe advises domestic and international clients on regulatory matters in the healthcare sector.

She provides support on a range of issues, including navigating complex legal frameworks, managing disputes related to medical regulations, and addressing compliance challenges. She works closely with key stakeholders in the healthcare industry, delivering tailored legal and strategic guidance to meet their needs.

She is fluent in French, English and Spanish.

Key Matters

Prior to joining Winston, Chloe gained diverse experience across France, United-States and Spain, working with international organizations and pharmaceutical companies on contractual and regulatory matters. She also contributed to teams at both international and French law firms, specializing in litigation and healthcare regulation.

Credentials

EDUCATION

Chloe holds a master's degree from the Faculty of Law at Strasbourg and a graduate diploma in Comparative Law from Osgoode Hall Law School (York University, Toronto, Canada).
