## Winston & Strawn Paris Sponsors and Speaks at Private Equity Exchange & Awards

NOVEMBER 13, 2024 - NOVEMBER 14, 2024

Winston & Strawn Paris proudly sponsored the prestigious Private Equity Exchange & Awards at the Pavillon d'Armenonville in Paris on November 13–14, 2024. This annual event brings together 1,300 high-profile delegates from the private equity and finance sectors, offering a platform for industry leaders to share their expertise and explore emerging trends. Private Equity partner Grine Lahreche and Finance partner Adeline Roboam represented Winston by participating in panel discussions showcasing their knowledge of private equity and leveraged finance.

On the first day, Adeline spoke on the panel “Debt Advisory & Private Debt: What Are the Conditions?” The discussion focused on how companies can optimize their financing structures through debt advisory services, which help tailor financing strategies to maximize efficiency. The panel also addressed the growing appeal of private debt as a flexible alternative to traditional funding, despite its often stricter requirements. Key takeaways included actionable strategies for accessing and securing the best financing opportunities in today’s market.

Grine Lahreche spoke on the panel “Tech and Healthcare: Thriving Sectors – Expert Insights” on the second day. This session highlighted current trends, investment opportunities, and critical success factors in the rapidly growing technology and healthcare sectors, both of which are becoming key drivers of global economic growth.
