

Navigating Global Capital Markets – Key Trends and Insights

NOVEMBER 19, 2024

Winston & Strawn hosted a webinar that provided key updates and insights into rapidly evolving global markets, focusing on current trends and regulatory changes impacting capital markets.

TOPICS DISCUSSED

- ECM and DCM Outlook: Current trends in equity and debt markets.
- London and EU Listing Rules: Their impact on dual-listing strategies.
- New Disclosure Mandates: Including emerging climate-related requirements.
- Saudi Capital Markets: Insights into the rapid growth of IPOs, public M&A, and dual listings.

The panel featured Winston lawyers from London, New York, and Paris, along with leading perspectives from SuhailPartners, a prominent Saudi Arabian law firm.
