## Winston Sponsors, Bryce Cooper and Matt Saxon Speak at ACI Drug & Medical Device Conference

DECEMBER 3, 2024 - DECEMBER 4, 2024

Winston & Strawn partners Bryce Cooper and Matt Saxon will present during ACI's 29<sup>th</sup> Annual Drug & Medical Device Litigation Conference in New York on December 3–4, 2024.

Winston is an annual sponsor of the premier event, bringing together over 400+ defense practitioners from leading drug and medical device companies to explore the latest trends and changing landscape of product and mass torts litigation.

Bryce Cooper will present on December 3 at 12 p.m. EST on “Decoding Novel Cases: Key Insights from Groundbreaking Rulings in *Gilead*, *BMS*, *Bartlett*, and More.” This panel will discuss key cases and rulings shaping drug and medical device litigation, focusing on innovative plaintiff theories, duty to innovate, failure to warn, and design defect elements.

Matt Saxon will speak on December 3 at 3:45 p.m. EST on “Defeating Reptile Theory: Early Strategies to Control Your Case.” This session will explore strategies to identify, counter, and neutralize plaintiff’s “reptilian strategy” in litigation through early case assessment, discovery tactics, motions, and jury selection.
