What to Keep On the Radar in 2025

JANUARY 15, 2025

Winston & Strawn hosted the inaugural installment of its Privacy Problems series, highlighting key issues our clients face in the ever-changing privacy legal landscape, and tips on how to address the related risks. The presenters discussed the most important privacy trends to watch in the coming year, including the continued expansion of state and federal privacy legislation, consumer privacy class action trends, increasing regulation on the use of AI, and more.

Speakers: [Sean G. Wieber](#), [Alessandra Swanson](#), [Kevin Simpson](#), and [Eric Shinabarger](#).
