

Privacy Problems: What to Keep On the Radar in 2025

JANUARY 15, 2025, 1:00 PM - 1:30 PM

Join the Winston & Strawn Global Privacy and Data Security Practice as they kick off a new monthly webinar series designed to highlight the key issues our clients face in the ever-changing privacy legal landscape, along with tips on how to address the related risks.

In this inaugural installment, partners Sean Wieber, Alessandra Swanson, Kevin Simpson, and Eric Shinabarger will discuss the most important privacy trends to watch in the coming year. These include the continued expansion of state and federal privacy legislation, consumer privacy class action trends, increasing regulation on the use of AI, and regulatory enforcement actions by state and federal regulators relating to the collection and use of consumer personal information.
