

Winston Paris Teams Win Le Sommet du Droit 2025 Health Economics Award

JANUARY 30, 2025

Organized by Décideurs Juridique, the Sommet du Droit award ceremony was held on January 30, 2025, for the twenty-fifth consecutive year. Winston & Strawn’s Paris office was recognized in the “Health Economics” category with the gold trophy.

This award reflects our ongoing commitment to excellence and our ability to tackle complex challenges for our clients in the healthcare sector.

The Sommet du Droit follows a rigorous selection process. The Décideurs Juridique editorial team first identifies the competing law firms, which then submit a candidacy file. Finalists present their achievements before a jury of general counsels, who assess them based on excellence, innovation, and performance criteria before selecting the winners.
