

State Attorneys General: The New Financial Regulators?

MARCH 6, 2025, 12:00 PM - 12:30 PM

With the Trump administration pushing to curtail the Consumer Financial Protection Bureau's authority, a critical question emerges: Will state attorneys general step up to fill the gap? The financial services industry faces growing uncertainty, making it more important than ever to understand the shifting regulatory landscape.

Join Winston's DC-based Government Investigations, Enforcement, and Compliance partners for an exclusive panel discussion with a top DC strategist, [Ian Mandel](#), who specializes in state-level politics. Gain insider insights, hear the latest breaking news on state attorney general enforcement priorities, and discover what these changes mean for the financial services industry.

This webinar is part of a series hosted by our Financial Services Industry Group where we cover the latest developments affecting our financial services clients.

On February 21, 2025, state attorneys general filed an amicus brief in support of the National Treasury Employees Union's legal challenge to the Trump administration's virtual shutdown of the Consumer Financial Protection Bureau (CFPB). [Read more here.](#)
