#### MARCH 13, 2025

Winston & Strawn partner Drew Hinkes was featured in an episode of *The Lawfare Podcast*, which highlights discussions with professionals, policymakers, and opinion leaders at the nexus of national security, law, and policy on issues from foreign policy, homeland security, intelligence, and cybersecurity to governance and law. In the episode, Drew joins Associate Professor of Law at SMU Dedman School of Law Carla Reyes and Lawfare Contributing Editor Kevin Frazier to discuss the latest in cryptocurrency policy. They analyze how and why cryptorelated policy has shifted since the Obama administration, discuss the accuracy of dominant crypto narratives and why we should have a mentality of embracing digital assets, explore what's next from the Trump administration on this evolving topic, and more.
