

Winston Recognized in IFLR1000 Guide to Energy & Infrastructure 2016

JULY 4, 2016

Winston & Strawn is once again recognized in IFLR1000's guide to energy and infrastructure. The firm is included in the sub-sector for oil and gas, as well as recognized as a notable firm.

Winston is recognized for having a large client base across Sub-Saharan Africa that includes leading energy groups, including SEPLAT Petroleum Development Company. The firm's notable transaction in which we represented an indigenous oil and gas exploration company as part of its \$1 billion joint venture facility related to the development of oil fields in Nigeria was also noted by the publication.
